

# On the Social side....

**Indoor Bowls** - We are attempting to resurrect the Pt Chevalier Indoor Bowling Section - club nights will be Mondays starting at 7.30pm. If you've played before and are looking for a place to get extra practice or if you're looking to give Indoor Bowls a go, come along.

**Poker Nights** - We still have a very strong following on a Tuesday night, informal, and winner takes all has been a successful formula. Starts **6.30pm**, all welcome. If you're not too sure how to play there's plenty of help and over a few hands you'll soon pick it up!

**Wednesday Nights** - Happy Hour for Handle Club members, a draw for a Bar Tab every week which Jackpots if not won. Every Wednesday come on down for **FREE** 8 ball, Killer Pool and Casual Bowls.

**Thursday Nights - 2017 Season** starts February 2nd. Housie for the faithful, yes we're still having a lot of fun with this, not to be taken seriously, all welcome for the start at 6pm. Thanks to Karen for running 'All Cards Covered' and Jim Moase for "Jimmy's Jackpot", and the caller drinks **RED** by the Jug! Casual Indoor Bowls on in the Hall area.

**Membership Draw:** Every Friday night at around 7/7.30pm the draw is done and a cash prize is paid if you are present! Jackpots every week so every financial member is in with a chance. If you're not sure whether you're financial or not have a look at the chart at the end of the bar.

**LINE DANCING** - Come on down every Tuesday and have some fun, classes start at 10am - Fitness and Fun

## Horse Racing in the 'Chev'

Sat 29th April was our Horse Racing Night, and what a fantastic night it was! Through the generosity of our 'punters' we raised just over \$2,000 towards the cost of a defibrillator for the Club. This will be a valuable asset for the Club and surrounding Clubs, if it saves a life it's worth it's weight in gold. Thank you to the local business community and our members who donated goods for the raffle - You may have already saved a life!

## World Masters Games

What a fantastic time the Club has had hosting the many sporting codes that were staying around Pt Chevalier for the games. The camaraderie throughout the week was incredible - as was the results for some of our own bowlers! Even better to see was the effort put in by Barfoot & Thompson employees - some playing the sport of Lawn Bowls for the very first time - Well done!

We'd like to welcome all of the new members who have joined the Club recently, please enjoy the facilities the Club has to offer. Remember we have Texas Hold 'Em on Tues night, Handle Club Wed night, Housie at 6pm Thurs night and Membership Draw and 'Beat the Bomb' on Friday nights - **From the BAR - PLEASE return your empties back to the bar!** Thank you from our **BAR VOLUNTEERS**
